How do I create or correct an affiliation profile?

Last updated on 11/05/2018 10.31 AM

If you want to create an institutional profile or correct affiliation details, please contact us.

Note: Only an affiliation administrator or librarian can request corrections to affiliation details. Requests from researchers, for example, cannot be processed.

If you are a researcher and want to update the affiliation currently associated with your profile, please contact us below and select 'Author Profile Correction' as a contact reason.
